SERIES PREMIERE

EDENWOOD—An eons-long series of multiverse wars between demons and witches has found earth as its latest and final battleground. The battle pits NECRONEMA, the ever-expanding demonic land which supplanted the Midwest twenty years ago, against EDENWOOD, the witchcraft-controlled land that acts as a barrier between the warzone and the rest of the U.S. In the first story arc of this ongoing series, readers are introduced to RION, a young man born during the apocalyptic events of southern Illinois, who is thrust into the role of hero and leader.

Summoned by the WITCH WAR COUNCIL, Rion must assemble an elite team of DEMON HUNTERS tasked with annihilating a list of targets within the demon-controlled lands. But Rion has his sights set on a young and powerful witch being held prisoner deep within Necronema. The mission is one of search and destroy... however, Rion feels he's been chosen for more than just a demon killer.
